Of Special Interest This Week

+ FBIS Swaziland Bureau remained open the night of 6/7 May to provide continuous coverage of the general election for the House of Assembly in South Africa. At the request of a writer for the NID, the bureau was asked to provide election results on a district-by-district basis as they became available. The Wire ran several lengthy FYI's and other reports on the election, which provided information in time to be incorporated in a late item in the 7 May NID.
